

# ANNUAL REPORT

Welcome to the culmination of a year filled with growth, achievement and community spirit. From academic milestones to extra-curricular successes, there was a remarkable progress. As we celebrate our achievements, let us also look ahead with optimism and determination, embracing the opportunities that lie ahead.

## **Our Morning Assemblies: Embracing Diversity & Inspiring Values:**

The morning assemblies at our school are vibrant celebrations of diversity and values. Each month we explore a new theme, representing various states and union territories of India. Through cultural performances, quizzes, role-play, discussions, students learn about the rich heritage and traditions of our country. Additionally we honour a "Personality of the Month" and highlight a different value each month, emphasizing its importance through stories and activities. Gayan Masters, English Corner, Book Reviews, Mass Drill make the assemblies fun filled and informative.

## **Celebrating a Tapestry of festivals and Events.**

Our school inclusive ethos shines brightly as we celebrate festivals with equal fervor, regardless of religious affiliation. From the joyous festivities of Onam to the spirit of giving during Christmas, solemn observance of Bakrid, each occasion is embraced with unity and respect. This secular approach fosters understanding, compassion and a sense of belonging among our students, creating an environment where everyone feels valued and celebrated irrespective of their religious backgrounds.

We also celebrated yoga day, Reading week, Kerala Piravi Day, Teacher's Day, Children's Day, Gandhi Jayanthi, Independence Day, Republic Day, National Constitution Day, Graduation Day for XII & UKG, Annual Day etc. We also observed National Intergeration Day, Vigilance Awareness Week.

## **Building Compassionate Communities:**

In the spirit of compassion and community service, our school embarked on various Charitable endeavours. We joined hands with other schools to give wings to the project initiated by the District Collector Shri. Krishna Teja, IAS under Together for Thrissur Project. We adopted twenty families living below the poverty line and supported them through provisions of essential food items, facilitated by our students & teachers. Our staff became true role models when they chose to celebrate

Teacher's Day by donating Wheel chairs to those in need. Further more students organized successful food festival generating funds to further aid our charitable efforts.

## **Harnessing Technology for Learning Excellence:**

School has embraced innovative teaching technologies through the integration of smart boards and an AI lab. AI lab serves as a hub of exploration and experimentation, offering students hands on opportunities to delve into artificial intelligence, coding and robotics. This commitment to technological advancement underscores our dedication to provide a forward thinking and enriching educational environment.

## **Learning Beyond Walls:**

At CPS, we believe that learning intends beyond the classroom, encompassing various activities and competition. Our students have excelled in District Level Sahodaya Arts Fest, District Level Mathematics Talent Search Exam, Model United Nations organized by various institutions and numerous other competitions organized by colleges and schools. We also actively participated in Inter school events like athletics, skating, Abacus, Chess at district, state and national levels. Our students showcased their talent in DreamThem project by bagging various awards. Four students cleared State Level Rajya Puraskar Project. Our school was chosen as 3<sup>rd</sup> best in Thrissur Sahodaya in Academics for the year 2023-24. On behalf of the school, Principal Dr. George Kolanchery sir received award for excellence in Adoption Of Technology In Pedagogy (India K-12 Awards 2023). We also take pride in honouring achievers at class/school level on Merit Awards Day. CresOration 2023 (Crescentian Inter school Historic speech Competition) in which schools from various districts in Kerala took part was a major event organized by the school. Not to forget Talento – 2023 that provided platform for our students(Playschool – XII).

## **Glimpses into Our Health and fitness Initiatives:**

In prioritizing health and fitness, our school has organized comprehensive coaching camps, sporting events and workshops tailored for both students and teachers. Annual Sports Day not only celebrates achievements but also promotes active lifestyles and sportsmanship. As part of Balamitra program, staff had awareness Program regarding Leprosy & Tuberculosis, informative talks by doctors from Indian Medical Association on World Diabetics Day, free eye camp for students and teachers helped all stakeholders with knowledge and strategies to maintain healthy habits. As part of Swatch Bharath Abhiyan, a cleanliness campaign was conducted by students of I – V. A grand food fest was organized for students of KG – V to instil in them right eating habits.

### Highlights from our School's Workshop Series:

The school successfully conducted series of workshops and seminars aimed at enriching students learning experiences and guiding the senior students with right career choices. Notable sessions included Road safety Awareness program by SCMS, Career Guidance session by Kerala Commerce forum for Commerce students, Preparing for Careers of 2030 and beyond by True Focus, session on Higher Education, Orientation Program for students interested in designing by Thinc Institute of Design. Students look part in World Science Day organized by FISAT and they witnessed exhibition hosted by St. James Pharmacy College. A valuable session on Adolescence and parenting was held for the parents of grade IX & X. School under the leadership of Principal Dr. George Kolanchery implemented a monthly teacher training program facilitated by our own faculty member serving as resource persons. By leveraging the expertise within our own teaching community, we have fostered a culture of continuous improvement, ensuring that our educators remain abreast of the trends and best practices in education.

### Exploring nature's classroom:

The school picnic was a resounding success fostering camaraderie and providing memorable experience for students and staff like. Students were taken to

Play school – UKG : Peechi dam & Gardens, Kerala State Museum & Thrissur Zoo.

Class I to V : Ahalya Heritage Park, District Heritage Museum, Palakkad, Malampuzha Dam and Gardens.

Class VI to X : Vagamon

Class XI & XII : Munnar

Staff picnic : Alapuzha House boating & beach

As another academic year draws to a close, we reflect on the multitude of achievements and milestones that have shaped our school community from academic excellence to artistic endeavours, athletic triumphs to community service initiatives, each accomplishment underscores our commitment to fostering realistic development. Let us march towards continued growth, learning and success in the years to come.
